Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2024 of **Tywyn Town Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly/fairly presents the Council's receipts and payments/income and expenditure and financial position:

- The Council has not provided sufficient information for me to conclude my audit. The Council did not provide an explanation for the significant increase in the value of fixed assets reported during the year.

Annual Governance Statement

In my opinion, the Annual Governance Statement is not consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 1: The Accounts and Audit (Wales) Regulations 2014 required the RFO to certify and the Council to approve the accounts by 30 June or to publish a notice explaining why this did not happen. The RFO certification and Council approval was dated 11 July 2024. I have not seen any evidence that the Council published the required notice.
- Assertion 4: The Accounts and Audit (Wales) Regulations 2014 require the Council to make its approved accounts available for 20 working days before a date set by the Auditor General. The proforma commencement date for public inspection issued to the Council was 1 July 2014. Because the Council was late approving the accounts, the public inspection period should have been

amended to commence after 11 July 2024. I have found no evidence that the Council advertised the inspection and the public's rights regarding the audit and therefore conclude that the Council did not make proper arrangements for the exercise of public rights.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

Information required for audit

Each year we issue the Council with an audit notice setting out the information we require to complete our audit programme. It is essential that the Council provides this information on a timely basis.

There are no further matters I wish to draw to the Council's attention.

 Richard Harries, Director, Audit Wales For and on behalf of the Auditor General for Wales	Date: 04/02/2025
